- Trained and mentored new employees, resulting in a 50% decrease in onboarding time.
- Maintained accurate records and reports, ensuring compliance with company and legal requirements.
- Managed office budget and expenses, reducing costs by 15% through strategic planning and negotiation with vendors.
- Coordinated and planned company events, including team building activities and holiday parties.
- Communicated effectively with clients and vendors, building strong relationships and ensuring satisfaction with services provided.

Caregiver - Self-employed

Feb 2015 - Dec 2023 | United States

Entrepreneur and virtual assistant with extensive experience as a caregiver. Proven ability to provide compassionate and dedicated care to individuals of all ages. Skilled in managing multiple tasks and adapting to changing environments.

- Provided personalized care to clients, including meal preparation, medication management, and transportation.
- Maintained accurate records and communicated effectively with healthcare professionals and family members.
- Demonstrated strong organizational skills and attention to detail in managing schedules and coordinating appointments.
- Built strong relationships with clients and their families, earning trust and respect through compassionate and reliable care.
- Adapted quickly to new environments and situations, remaining calm and focused in high-pressure situations.
- Continuously sought out opportunities for professional development and growth, staying up-to-date on best practices and industry trends.

Contract Writer - Self-Employed

Aug 2014 - Dec 2023 | Fort Collins, Colorado Area

WordPress Expert Website Design WordPress Content writing and tutorials Blogging Editing Portfolio Pending and available upon request

Front of House / Waitress / Bartender - Texas Roadhouse

Jan 2008 - Dec 2023 | Longmont, Colorado, United States

I have continuously, with little downtime, worked the front of the house in restaurants all over Colorado. I stay calm under pressure and remain focused on why I am at my job. I am friendly and will learn the menu, my side work, the POS system, or written tickets, and bring a smile to people's faces. I have been a shift manager, key supervisor, and shift lead. I have had responsibilities that include but are not limited to inventory ordering, scheduling for teams of 10-15, troubleshooting all POS systems, customer complaint handling, and more. I have 17 years of experience in the food service and restaurant industry.

Team Focal, Knowledge Management. Lead technical writer - IBM

Feb 2007 - Oct 2011 | Boulder, Colorado, United States

I coordinated and performed a range of staff and operational support activities for the unit. I served as a liaison with other departments and operating units in the resolution of day-to-day administrative and operational problems. I operated my personal computer to compose and edit correspondence and memoranda from dictation, verbal direction, and/or from knowledge of established department/division policies. I prepared, transcribed, composed, typed, edited, and distributed job descriptions as well as additional directive documentation to my co-workers. I established, maintained, and updated files, databases, records, and other documents. I also developed and maintained data, and performed routine analyses/calculations in the processing of data for recurring internal reports. I was responsible for sorting, reviewing, screening and distributing incoming as well as outgoing mail
